FRIDAY NIGHT SALE

APRIL 25, 1969

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

39 HEAD SELLING

17 BULLS

22 FEMALES

SALE MANAGER'S MESSAGE

This will be the Sixth Annual Spring Sale for the Northeast Kansas Shorthorn and Polled Shorthorn Association. Both polled and horned cattle will sell in this sale. There will not be a show. Consignors over Kansas have entered 17 bulls and 22 females. Northeast Kansas sales have always offered good cattle at reasonable prices. This sale will be another opportunity to purchase top cows, bred and open heifers.

If you are having herd bull problems, plan to attend this sale. We will have bulls for both the purebred and commercial cattleman. Shorthorn bulls are in demand for crossbreeding.

This will be the first night sale for the Northeast Shorthorn Association. Free coffee and tea will be furnished by the Association.

If you like good quality Shorthorns and Polled Shorthorns, plan to attend this sale. Many new herds have started from these sales.

Commercial cattle will sell after the purebred sale. Hope to see you in Effingham, April 25th.

MILTON H. NAGELY, Sale Manager

If producing beef is your business, you'll certainly like those heavier calf crops you'll get at weaning time that are sired by Shorthorn bulls. Buyers also will pay premium prices for those straight bred or cross bred Shorthorn calves because they know they will gain better for them in the feedlot. See the good cattle listed in this catalog.

General Information

LOCATION—Effingham is located half way between Atchison and Holton on Highway No. 159.

TERMS—Cash. Settlement must be made with the clerk immediately at the close of the sale. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from purchaser.

GUARANTEE—All cattle will be sold under the guarantee of the American Shorthorn Breeders' Association.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Milton H. Nagely, Abilene, Kansas; Ken Holloway, of American Shorthorn Breeders' Association, Frederick, Oklahoma or to the auctioneer, Wilson Hawk, Effingham, Kansas.

Announcements from the auction box will take precedence over printed matter in the Catalog.

HEALTH—All cattle will sell T. B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

LUNCH—Can be obtained at the grounds sale day.

TELEPHONE—To reach the sale manager or consignors sale day, phone the Effingham Sale Barn, Effingham, Kansas.

Cattle will be sold in a heated sale barn.
